

FAZAL UR REHMAN

Computer Science Student

+92 3291044446 | fazalurrehman72003@gmail.com | linkedin.com/in/fazalurrehmancheema | Gujranwala, Pakistan

SUMMARY

Motivated Computer Science student with AI development and leadership experience. Published co-author of an AI-integrated operating system. Adept at managing complex technical projects—including machine learning models and web development—alongside strategic digital marketing.

EXPERIENCE

Skilla App (DevOps)

SEP 2026 - PRESENT

Engineered an end-to-end DevOps pipeline to automate testing, continuous integration, and deployment for reliable software delivery.

Biomedical Image LLM (FYP)

MARCH 2026 - PRESENT

Developing a specialized Large Language Model using Python and deep learning frameworks to analyze and generate insights from biomedical images.

Sentiment Analysis

SEP 2025 - FEB 2026

Developed an SVM-based ML web app deployed via Gradio using TF-IDF and emoji-to-text conversion to classify e-commerce reviews with ~86% accuracy.

Plant Disease Detection System

JUNE 2024 - JAN 2025

Created a deep learning-based image recognition model to diagnose plant diseases from leaf images, aiding agricultural management.

EDUCATION

Bachelor of Science (Hons) in Computer Science

2023 - 2027

Beaconhouse National University, Lahore

Current Status: 6th Semester

Higher Secondary School Certificate (HSSC)

2021 - 2023

Punjab College of Commerce for Boys, Gujranwala

Secondary School Certificate (SSC) - Science

2019 - 2021

Wapda Town High School for Boys, Gujranwala

KEY ACHIEVEMENTS

- **Research Publication:** Co-authored "JARVIS - AI Integrated Operating System" in the Spectrum of Engineering Sciences (Jan 2026).
- **Leadership:** Head of Marketing for the BNU Debating Society, managing a 5-person team for inter-university campaigns.

SKILLS

- **Tech Skills:** Python, C++, Machine/Deep Learning, HTML/CSS/JS, MongoDB, Linux, Data Structures/Algorithms, Figma, WordPress
- **Soft Skills:** Problem Solving, Project Management, Teamwork, Communication, Digital Marketing & Branding
- **Languages:** English (Fluent), Urdu (Fluent), Chinese (Basic)
